The  of Jewish Student Life

The Simon's welcome you!

Hi, We are the Simon's, your Chabad on Campus family in Manchester.

We encourage you to enhance your university experience by participating in a variety of Jewish activities. We do not charge to participate, our events are always fun and you will have loads of company!

Consider our house your "Home on Campus" Meet, greet, and socialize with other Jewish students in a warm atmosphere. If there is anything we can do to help you, please don't hesitate to contact us!

What is Chabad?

The Lubavitcher Rebbe, Rabbi Menachem Mendel Schneerson OBM, motivated by his profound love and care for every Jew and concerned for every member of humanity, spurred by his boundless optimism and self sacrifice, set into motion a network of Chabad Houses in the furthest corners of the world. This resulted in the largest Jewish educational organisation in the world. It helped to bring Judaism to thousands of Jews and has a positive affect on millions. Chabad Lubavitch concerns itself with the totality of Jewish life, spiritual and physical. No person or detail is too small or insignificant for their love and dedication.

At Chabad at Manchester Universities, we are humbled to be a part of this tremendous work. We invite you too, to be a part of this Jewish experience, to learn, to explore, to ask, to enjoy, to have fun, and to enhance your university experience. Come once and try it out. We are sure you will enjoy your experience and be back for more!
